Now that Vacation Bible School has come to an end, I would like to let each of you know how much we have coveted your prayers, your participation, and your words of encouragement. From start to finish, God's hand has been evident in everything that happened before and during VBS. It has been amazing to watch!

I'd like to take a moment and share some information with you about the week.

- Overall enrollment for the week was 512 with a daily average of 439.
- We exceeded our offering goal with a final count of \$2,104.60. All of our offering will be used for upcoming community and school outreach.
- Throughout the week, our evangelism team counseled fifteen children who had questions about what it means to follow Christ. Seven of those children made decisions and three have already been baptized with more scheduled for future dates.

I heard many great stories throughout the week, not only from the children in attendance, but also from the leaders who taught during the week, from families who attended family night, and from recipients of doorstep visits. Vacation Bible School was a success on so many levels. Thank you for your continued support of VBS and our Preschool and Children's Ministries!
